

The Wham Bam Thank You Jam is a celebration of music, art and the love of life. The relaxing venue is a peaceful environment featuring local artists, vendors and music from 25 bands from across the USA. The music is non-stop with bands that perform original material as well as cover songs of your favorite tunes. The Annual Celebration is located in Southwest Ohio at Hannon's Camp America in College Corner, Ohio...across from Hueston Woods State Park and Lake and only 9 miles from Oxford and Miami University.

Each year, our plans are to grow and to continue to improve a well organized event. The staff and crew are very dedicated to providing our audience with an unforgettable weekend with family and friends, excellent food, a huge bonfire, workshops, special guest speakers, and drum circles to keep the entertainment at a constant pace. All at a reasonable price of \$25 per ticket which includes all camping fees for the 2-day weekend. What a great value to have so much entertainment and activities at such a great price!

Everyone's involvement is crucial. After all, this is your event. Our goal for the Wham Bam Thank You Jam celebration is to be surrounded by successful, peace loving people who can educate our audience with your products, knowledge, and to share common goals. This will also give you the opportunity to reach a demographic that you might not be able to by other conventional methods of advertising. Your success is our success. We will support and promote your business in positive ways by enlightening our audience with information about your business and products. Your business will be featured on our website, event program, banners displayed by the two main stages, and posters displayed throughout the Southwest Ohio area.
